

# Discussion paper on non-life underwriting and pricing in light of climate change

CONSULTATION

START DATE: 10 Dec 2020

END DATE: 26 Feb 2021

OPEN

The discussion paper highlights challenges associated with current non-life underwriting practices and options to ensure the availability and affordability of insurance products, in the context of climate change.

The discussion paper builds on work stemming from the Opinion on sustainability within Solvency II, published in 2019, and is part of EIOPA's overall sustainable finance agenda.

EIOPA is inviting stakeholders to provide comments on the discussion paper by 26 February 2021, by filling in the survey below.
