

SWISS FINTECH DAY Italia

22 November 2021

Insurtech horizons Switzerland-Italy

Event registration 2021/Politecnico

Event

The 4rd edition of the Swiss Fintech Day on 22th November 2021 will focus on **INSURTECH**, the specific Ecosystem Switzerland-Italy with its trends and opportunities.

Fintech is transforming the world of financial services. Switzerland with its leading sectorial cluster is working to ensure the best technical and legal conditions for the development of the Fintech-

and Insurtech sector, reducing at the forefront of regulation risks related to the digitalization and promoting sustainability.

Pitching Window: Swiss companies can be inserted with a company presentation (on request)
